01 The goal

An engineering team in Egypt, with no legal entity

Elite wanted to build an engineering team in Egypt quickly, without setting up a company there or carrying the local employer's obligations, and with HR for Egypt and Saudi Arabia under one roof.

Starting point	0 engineers
Result	25 engineers
Legal entity in Egypt	Not needed

02 What Talent360 handled

The offshoring-team model

- HCM in Egypt and Saudi Arabia
- Fixed fee per person
- Full salary transparency
- NDA, and IP stays with Elite
- GOSI, Mudad, Qiwa, Ajeer and Muqeem handled
- About 40% cost saving vs local hiring

We ran hiring and onboarding, contracts, payroll and legal compliance, personnel administration, tax and social insurance, and ongoing employee engagement.

03 Why the model worked

Three elements

Element	Effect
Fixed fee per person	A predictable cost that grows with the team, with no surprises
Full salary transparency	Elite sees exactly what each person is paid
Confidentiality and IP	An NDA, and the IP stays with Elite

Employer tip

The team works for Elite every day, while we carry the employer's obligations in Egypt.

04 Does this model fit your company?

If more than one applies

- [ ] You want a team in Egypt without setting up a company.
- [ ] You need to start within days, not months.
- [ ] You want a fixed, known cost per person.
- [ ] You manage people in Egypt and Saudi Arabia together.
- [ ] Protecting your IP matters to you.
